

Sesquicentennial

Prayer

Almighty and loving God, you have blessed us with the gift of this your Diocese of Huron. We celebrate the way in which your Holy Spirit moved your clergy and people to elect your servant Benjamin Cronyn to Episcopal ministry in 1857.

We pray that you will accept the offering of our praise and thanksgiving for the lives of those whose faithful service has been part of the life of this Diocese.

We dedicate ourselves to the ministry of Christian witness, which you have called us to live out in our own day and age. May the Light of your Spirit shine in our lives, enabling us to fill your church with vigour and excitement, while ever walking in the Anglican way of moderation, tolerance and conciliation. Guide us in the years ahead, as in years past, so that all that we say and do may bring honour to your name, through Jesus Christ who is our Light and Life. Amen.
